

1. Hold the straps in a “pinch” in one hand:

2. Slip the diaper over the head,
with the “pinch” at the back of the neck.
Smooth diaper down over the chicken’s belly:

3. Slip legs through the straps:

4. Slip one wing through the strap, then the other.
Straps should be crossed on the chicken’s back:

5. Tug the pocket of the diaper into place to cover vent:

Your chicken is now dressed and ready to go!
